

2026 Best of the Best Kata Championships

Friday, December 4th
5:30 p.m. start time

BMAI is hosting our annual in-school kata tournament to give our karate students an opportunity to learn about the performance aspect of karate. This is an excellent opportunity for students to showcase their achievements and for family members to come show their support. Students of any age or rank may participate as long as they know a kata well enough to show it.

Performing a kata in front of other people is a huge confidence-builder, but can be terrifying, too! The purpose of this event is for the students to build their confidence in a familiar atmosphere with the support of people they know and trust. The judges for the event will be BMAI instructors who will do their utmost to make this a positive learning experience for everyone.

There is a \$20 entry fee for one event. Additional events are \$10 each. Competitors may enter up to 4 events! Medals and certificates will be given out for the winners in each division.

The divisions are:

Empty Hand Kata
Weapons Kata
Team Kata
Team Creative Kata

Competitors should be warmed up and ready to go at 5:30. The competition will begin after some brief explanations of the procedure. The number of entries will determine the length of the event. Plan for the event to last until roughly 8:00.

Please ask an instructor if you have any questions about this exciting event!

The Deadline for Applications is Thursday, Dec. 3rd

No Late Entries or Late Changes will be Accepted.
